

## Abacus Life Announces Closing of Public Offering of 12,500,000 Shares of Common Stock

November 25, 2024 10:23 PM EST

ORLANDO, Fla., Nov. 25, 2024 (GLOBE NEWSWIRE) -- Abacus Life, Inc. ("Abacus" or the "Company") (NASDAQ: ABL), a pioneering alternative asset manager specializing in longevity and actuarial technology, today announced the closing of its oversubscribed underwritten public offering of 12,500,000 shares of its common stock, consisting of 10,000,000 shares of its common stock sold by the Company and 2,500,000 shares of common stock sold by certain stockholders of the Company (the "Selling Stockholders") at the public offering price of \$8.00 per share. The gross proceeds raised in the offering, before underwriting discounts and commissions and estimated expenses of the offering, were approximately \$100 million, of which approximately \$80 million was raised in the primary offering by the Company and approximately \$20 million was paid in connection with the sale of shares by the Selling Stockholders.

Abacus intends to use net proceeds that it receives for its operations, including the purchase of life settlement policies, to support its overall business strategy, for working capital purposes, and for general corporate purposes, which may include funding previously announced and future acquisitions and repayment and refinancing of its indebtedness. Abacus did not receive any proceeds from the sale of shares of common stock by the Selling Stockholders.

Piper Sandler & Co., TD Securities (USA) LLC, KKR Capital Markets LLC, B. Riley Securities, Inc. and SG Americas Securities, LLC acted as joint book-running managers and representatives of the underwriters for the offering.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy the shares of the Company's common stock or any other securities, nor shall there be any sale of such shares of common stock or any other securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

### About Abacus

Abacus is a pioneering global alternative asset manager and market maker specializing in uncorrelated financial products. The Company leverages its longevity data and actuarial technology to purchase life insurance policies from consumers seeking liquidity. This creates a high-return asset class uncorrelated to market fluctuations for institutional investors.

With nearly \$3 billion in assets under management, including pending acquisitions, Abacus is the only publicly traded global alternative asset manager focused on lifespan-based financial products.

### Forward-Looking Statements

All statements in this press release (and oral statements made regarding the subjects of this press release) other than historical facts are forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements rely on a number of assumptions concerning future events and are subject to a number of uncertainties and factors that could cause actual results to differ materially from such statements, many of which are outside the control of Abacus. Forward-looking information includes but is not limited to statements regarding the proposed offering, including the expected closing of the proposed offering; Abacus's financial and operational outlook; Abacus's operational and financial strategies, including planned growth initiatives and the benefits thereof, Abacus's ability to successfully effect those strategies, and the expected results therefrom. These forward-looking statements generally are identified by the words "believe," "project," "estimate," "expect," "intend," "anticipate," "goals," "prospects," "will," "would," "will continue," "will likely result," and similar expressions (including the negative versions of such words or expressions).

While Abacus believes that the assumptions concerning future events are reasonable, it cautions that there are inherent difficulties in predicting certain important factors that could impact the future performance or results of its business. The factors that could cause results to differ materially from those indicated by such forward-looking statements include, but are not limited to: the fact that Abacus's loss reserves are based on estimates and may be inadequate to cover its actual losses; the failure to properly price Abacus's insurance policies; the geographic concentration of Abacus's business; the cyclical nature of Abacus's industry; the impact of regulation on Abacus's business; the effects of competition on Abacus's business; the failure of Abacus's relationships with independent agencies; the failure to meet Abacus's investment objectives; the inability to raise capital on favorable terms or at all; the effects of acts of terrorism; and the effectiveness of Abacus's control environment, including the identification of control deficiencies.

These forward-looking statements are also affected by the risk factors, forward-looking statements and challenges and uncertainties set forth in documents filed by Abacus with the SEC from time to time, including the Annual Report on Form 10-K, as amended, and Quarterly Reports on Form 10-Q and subsequent periodic reports. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Abacus cautions you not to place undue reliance on the forward-looking statements contained in this press release. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and Abacus assumes no obligation and, except as required by law, does not intend to update or

revise these forward-looking statements, whether as a result of new information, future events, or otherwise. Abacus does not give any assurance that it will achieve its expectations.
